Dear Kristen Michelangelo ~~or~~,

I wish I could have seen you one last time!! It got to a point where it wasn't worth it anymore. I was so done living like a failure when it wasn't even my fault... I'm sure you have heard so much by now, so I'll start from the real beginning. This is something I should have done when I was dropped from SEAL training. I was tired of living a failures life when it wasn't my fault. I ~~was~~ ^{was} ~~was~~ debating about this for a LONG time, ~~set~~ stalling the inevitable. When I got in hot water with the higher ups. is when the final straw happened. The navy has put me through enough as it was, I wasn't going to stretch my neck even more for them. There was no point for me anymore as if I got in some real deep trouble, The rest of

my life would have been fucked
 even more badly than it already
 was going to be. Don't think
 you could have done anything,
 there was nothing anyone
 could have said to change my
 mind. You are an extremely great
 person and friend. I can't
 thank you enough for actually
 being there for me. And since
 it won't hurt anything, you were
 right about ~~I~~ thing about me.
 I will admit I did have a
 small crush on you (G) but I
 fully respected that you are gay,
 and I think it's awesome
 that you are who you are. I have
 no room to judge because I
 like girls too (G) (G) but I
 do think you need to finally
 tell your whole family. I know
 it's something you don't want
 to do but you can't live a lie
 forever. and if they turn
 their backs on you, you have
 the greatest friends in the

WHOLE WORLD

right next to you!!! ones who appreciate you and love you for who you are! At that point it doesn't matter what the rest of the world thinks. you pick your friends NOT your family!!! I'm glad we got to be friends!! Again I wish I could have seen you one last time before I did what I had to do... There was so little time that I ~~didn't~~ didn't have enough time to write letters to every one I wanted to... I wish I had more time... you hate compliments but, you **KNOW** I have to one last time 😊 you are an extremely beautiful woman 😊 you have been through a lot making you a wise person for someone to go ~~to~~ to!! Thank you for being a friend to me! The only reason I wanted to go crewmen was to get out of this command, and hopefully get my mind straight... over all I didn't want to, it was just the quickest

way out and off to a
 what was hopefully going to
 be a better life. But that was
 taken away from me along with
 my hope of at least what
 was left of it. My biggest
 downfall was I didn't
 believe in myself, that could
 have been a game changer
 for me but I never had
 confidence ever since I got
 injured in seal training... It
 was just my ~~big~~ downfall
 and everything that followed
 didn't let me get over it and
 fully heal... ultimately that is
 where this decision stems back
 from. I've been at these dark
 crossroads for a LONG time.
 the choice was made and I
 am sorry for any pain I caused
 you... especially with you being
 on the ship... I'm sorry... you're
 a great person! I am proud that
 I have gotten to help everyone
 I have in my life, some people
 all over the U.S. some in

Other countries as well. I've done a lot! 😊 so I do have that to be proud of! I wish ~~it~~ it didn't have to come to this but it got to a point where I didn't have a choice... The BIGGEST mystery in life is figuring out who you are yourself because you yourself are constantly changing!! you might have a different mind every step of the line but in the end they are all yours forever growing, forever learning, forever changing. They say that life's a carousel, spinning fast you've got to ride it well, the world is full of kings and queens who'll blind your eyes and steal your dreams, it's heaven and hell. Be careful, fight for what you want, don't let ANYONE take away what you worked for away from you! Thank you for being my friend till the end!!

- with friendly love ♥ 😊

- Brandon

over →

P.S. - I ask 2 things from you.

1. keep this letter secret as I have a plan and I fully trust the people I have to carry it out if it hasn't happened already and 2. ~~that~~ more importantly, when you get this, all I ask is for you to say a prayer for me... I don't know where I'm going, and only I know where I have been...

Thankyou for being a great friend to me!!! And lastly thankyou for giving me a chance!! That alone shows what kind of person you are! 😊
